

The all-in-one online store solution— from website to sales to shipping.

Plus, merchants will enjoy preferred rates from UPS^{®1} and their Bookmark Business Plan fees waived for 3 months.²

Customers are looking for merchants online. So now more than ever it's important for businesses to have their own website—and we make that easy.

Moneris Online is our comprehensive, scalable ecommerce solution, allowing merchants to accept secure payments online. And it integrates seamlessly with our partner Bookmark, the premier web builder for small businesses. Using AiDA, their powerful artificial intelligence design assistant, merchants can build a website in a matter of minutes – there's no coding or design skills required. Plus, with UPS, they'll save money on their delivery costs and so much more!

Online payments and essential tools.

- Seamlessly integrate Moneris Online's solution with their website
- Accept credit, debit, Google Pay[®], and more – only 2.75% + \$0.30 per transaction³
- Experience secure payments with a checkout page hosted by Moneris
- Includes fraud prevention tools 3-D Secure and Moneris Kount Essential
- Get business insights with real-time reports on everything from sales to performance, and more
- Track and manage orders with automatic reports, and benefit from preferred rates on UPS shipping and accessories, including up to 50% off small package shipping¹
- Easily transition online with help from a single point-of-contact in our dedicated team, and then get ongoing assistance from our 24/7 customer support

Powerful website creation and optimization.

- AI-built website—no need to spend money on developers and designers
- Responsive website design for optimal desktop and mobile presentations

- Protection from viruses, malware, hackers and identity thieves thanks to SSL security certification
- Search engine optimization for higher site ranking via recommended keywords
- Free training with elearning courses written by the experts
- Helpful customer support through phone, email, chat, and more

The smart web builder for small business.

Bookmark's website creation tools are for anyone who doesn't feel techy enough to build their own site.

By using Bookmark's simple interface, combined with AIDA, creating a website is fast, easy and fun. AIDA will predict which site sections, elements, images, text and design styles work best for a merchant's industry and business goals. Now any business can quickly and easily have a beautiful, fully functional website.

See how easy it is:

Step 1:

Tell AiDA the business name and business sector

Step 2:

AiDA will create a unique design for their website in 30 seconds

Step 3:

Use easy-to-edit modules to update their images and content

Step 4:

Easily enable Moneris Online to accept payments

Step 5:

Publish the website

When merchants build their online store with Moneris Online and Bookmark, we'll waive their Bookmark Business Plan fees for 3 months.²

When submitting your referrals through BBX, or an alternative referral platform, please indicate "Moneris Online and Bookmark" in the comment box. Offer period is June 1, 2020 to April 30, 2021. To learn more, visit moneris.com/getonline.

¹ This promotional offer (the "Offer") is not transferable, cannot be combined with other promotional offers or discounts and is time limited. In order to take advantage of this Offer and receive certain UPS preferred rates, you must visit ups.com and create a UPS account or sign-in with your existing UPS account. The services provided by UPS are subject to the UPS Canada Terms and Conditions of Service and such terms and conditions are available at ups.com/moneris/en.

² This promotional offer (the "Offer") is not transferable. In order to take advantage of this Offer and receive 3 months of Bookmark Business Plan fees waived when you sign up with Moneris Solutions Corporation ("Moneris"), you must complete your application for the Bookmark Business Plan and Moneris Online between June 1, 2020 and April 30, 2021 ("Offer Period").

³ To process payments with Moneris Solutions Corporation ("Moneris"), merchants must enter into an agreement for payment processing services with Moneris. Moneris is under no obligation to approve a merchant for any services and reserves the right to determine if a merchant is qualified in accordance with its credit adjudication and other policies and procedures.
